**CASE NO: 22-90273**

**Jointly Administered  
CHAPTER 11**

**ORDER DENYING CLAIM OBJECTION  
AND IMPOSING ADDITIONAL RELIEF**

Based on the Court's review of ECF No. 860, the Court orders:

1. The objection to Bootstrap's claim has no factual basis. The objection filed at ECF No 815 is denied as to Bootstrap's claim 10058.
2. Bootstrap's estimation motion is moot.
3. The statement by Mr. Mersch appears to have been made with a careless disregard for the truth. He alleges that he carefully reviewed the Debtors' books and records before making the declaration. He also states that his review was thorough. The statement filed at ECF No. 860 demonstrates that he did not carefully and thoroughly review the Debtors' books and records. His statement is made "[t]o the best of my knowledge, information and belief."
4. Mr. Mersch states that he is a director of the estates' financial advisor, Portage Point Partners, LLC. Portage is suspended from filing further declarations in this case until such time as it has satisfied the Court that it has implemented appropriate procedures to assure that its declarations are trustworthy.
